

# How to Edit Push Notification Settings on the CCS App

**This article will show how to edit your push notification settings on the Caledonia Community Schools app.**

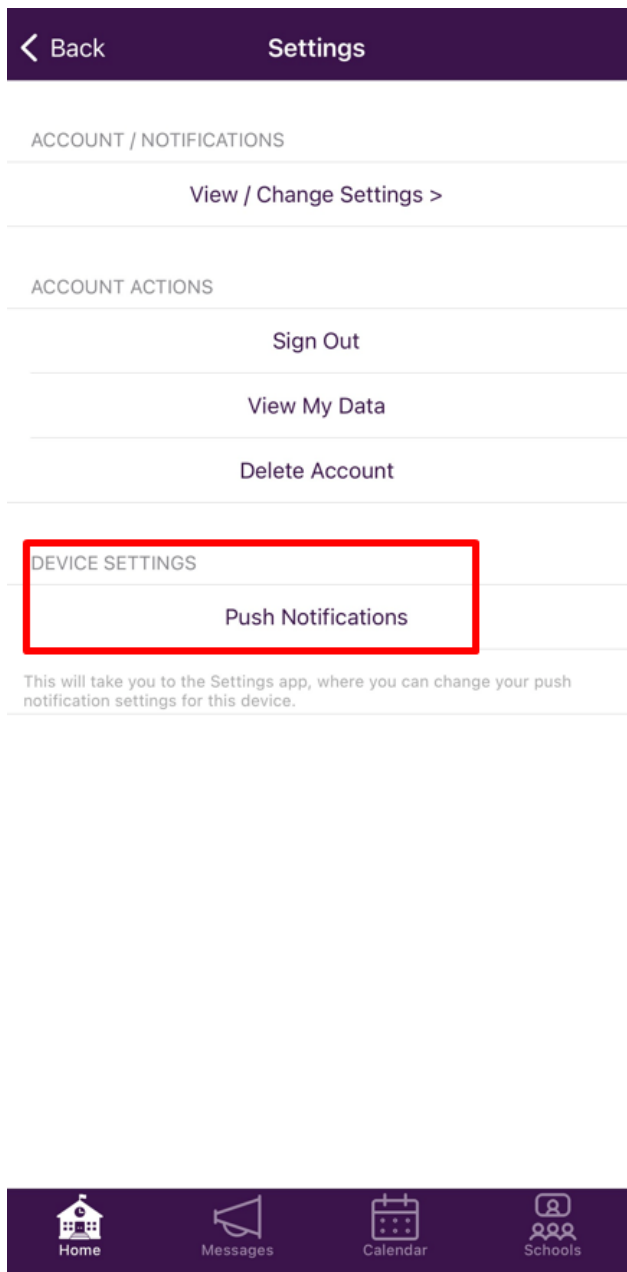

1. Go to the Caledonia Community Schools app.
2. If you are not already signed in, click "Sign In" and sign in.

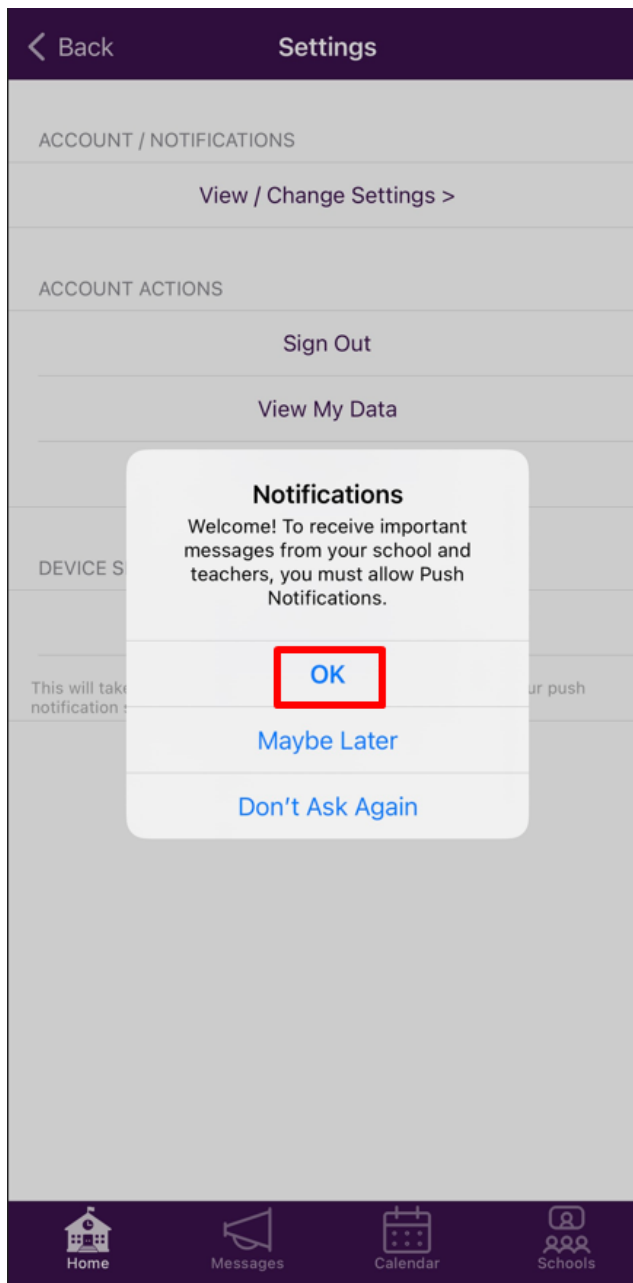

3. Click on your name.

4. Under "Device Settings", click "Push Notifications".

5. A pop up will appear to take you to your phone settings to enable notifications. Click "OK".
