# Login to the Cisco Personal Communications Assistant

To login to the **Cisco Personal Communications Assistant** go to:

<https://10.25.8.243/ciscopca/home.do>

Use your normal network credentials to login

If you get a "**Your connection is not private**" message click on the **Advanced** button and then click on the **Proceed to 10.25.8.243 (unsafe)** link. This is an internal server and is safe.

## Your connection is not private

Attackers might be trying to steal your information from **10.25.8.243** (for example, passwords, messages, or credit cards). [Learn more](#)
