# Login to the Cisco Personal Communications Assistant

To login to the **Cisco Personal Communications Assistant** go to:

https://10.25.8.243/ciscopca/home.do

Use your normal network credentials to login

If you get a "**Your connection is not private**" message click on the **Advanced** button and then click on the **Proceed to 10.25.8.243 (unsafe)** link. This is an internal server and is safe.

Your connection is not private

Attackers might be trying to steal your information from **10.25.8.243** (for example, passwords, messages, or credit cards). Learn more

NET::ERR_CERT_AUTHORITY_INVALID

Hide advanced                                                                          Back to safety

This server could not prove that it is **10.25.8.243**; its security certificate is not trusted by your computer's operating system. This may be caused by a misconfiguration or an attacker intercepting your connection.
