

Clever District Single-Sign-On (SSO) Applications

Accessing applications has never been easier when using the Clever portal. Clever provides Rostering, SSO, and Saved Passwords services depending upon the application.

SSO means once logged in to Clever, access to these applications requires no additional login

SSO (Saved Passwords) means after logging into Clever, the first time accessing the application the user will be prompted for login credentials. Clever will save the credentials and use them for future logins.

Rostering means rosters are automatically updated based upon PowerSchool class rosters.

Current Clever Applications provided by district:

- Amplify - SSO, Rostering
- Discovery Education - SSO, Rostering
- Follett Destiny - SSO (Saved Passwords)
- i-Ready - SSO, Rostering
- Naviance - SSO, Rostering
- NoRedInk - SSO, Rostering
- NWEA MAP - Rostering
- PBIS Rewards - SSO, Rostering
- Read Live - Students - SSO (Saved Passwords)
- TCI Subscription - SSO, Rostering
