

Chrome Care Fees

Manage fees for Chrome Care insurance plan

- [Set New Year Insurance Plans](#)
- [Enable/Disable ChromeCare Plan Fee Types](#)
- [Assess ChromeCare Fees](#)
- [Assign Insurance Plans](#)
- [Remove Assessed Fees After Purchasing Window Has Closed](#)
- [Manually Assess Fees and Assign Insurance Plan](#)

Set New Year Insurance Plans

Each year insurance plans will need to be updated to reflect the new years and potentially any fee changes.

To update ChromeCare Insurance plans:

- Login to PowerSchool
- From the District Office select **MBA Device Manager+** from the MBA Plugins section of the left navigation menu
- Select **Insurance Policy Setup**
- Update the **Name** and **Default Date Range** to reflect the new years plan dates
- Update the **Default Cost** if the fess schedule has been updated
- Click on the **Save** button

Warning: Any other policy changes to the ChromeCare Insurance plan will need to be reflected in Insurance Policy Setup

Enable/Disable ChromeCare Plan Fee Types

Note: During the ChromeCare Insurance Plan purchasing window ChromeCare Plan Fee Types may need to be enabled.

Login to PowerSchool

Note: You will need to do the following at each building in PowerSchool

Enable the ChromeCare Plan Fee Type

Open MBA Student Fees

- Select **Fee Types**
- Click on the **Show Archived Fee Types** button
- Uncheck the ChromeCare Plan **Archived** checkbox
- Click on the **Submit** button

Disabling the ChromeCare Plan Fee Type after the purchasing window has closed will prevent fees from accidentally being assigned to students.

Disable the ChromeCare Plan Fee Type

Open MBA Student Fees

- Select **Fee Types**
- Check the ChromeCare Plan **Archived** checkbox
- Click on the Submit button

Assess ChromeCare Fees

Login to PowerSchool

You will need to do the following at each building in PowerSchool

Enable the ChromeCare Plan Fee Type

Open MBA Student Fees

- Select Fee Types
- Click on the Show Archived Fee Types button
- Uncheck the ChromeCare Plan
- Click on the Submit button

Identify student that do not have insurance

Open MBA Device Manager+

- Select Device Assignment Report
- Set Device Name to Chromebook
- Set the Device is Currently Insured filter to No
- Click on the Search button
- Click on the Make Current Selection button

Assess the ChromeCare Plan fee to students

Open MBA Student Fees

- Select Assess Fees
- Set Student Selection to Current Selection
- Set Fee to Technology - ChromeCare Plan
- Click on the Display Fees button
- Click on the Assess Fees button

Assign Insurance Plans

Once the ChromeCare Insurance purchasing window is closed, plans must be assigned to students in Device Manager. This process is done by identifying students that have purchased insurance in Student Fees and then applying the insurance plan to the students in Device Manager.

Note: If insurance plans are assigned before the purchasing window closes then use the date filter in the Fee Report each subsequent time plans are assigned.

Note: After the purchasing windows closes additional insurance plan purchases will need to be manually assigned to the student.

To assign insurance policies to students

Login to PowerSchool, this can be done from the District Office

Identify Students for each plan starting with the longest term plan first

6-Year Plan

- Select **MBA Student Fees** under the **MBA Plugins** section of the left navigation menu

Remove Assessed Fees After Purchasing Window Has Closed

After the purchasing window has closed you will need to removed assessed unpaid assessed fees from students.

Warning: Failure to remove unpaid assessed fees will allow parents to pay ChromeCare Insurance Plan fees after the purchasing window has closed.

Login to PowerSchool

Enable **Mass Update/Delete Fees** in Student Fees plugin

Repeat the following for each school building

Identify students with unpaid ChromeCare Insurance Plan fees

- Select MBA Student Fees from the MBA Plugins section of the left navigation menu
- Select Fee Report
- Under Fee Type select ChromeCare Plan
- Set the Paid amount to = 0
- Click on the Generate Report button
- Click on the Make These Students the Current Selection button at the bottom of the page
- Return to the Start Page to confirm your selection

Delete unpaid assessed Fees from students

- Open MBA Student Fees again
- Under Fee Type/Category select Technology - ChromeCare Plan
- Under Students set the dropdown to Students in Current Selection
- Under Amounts set Paid = 0
- Click on the Search Fees button
- Click on the Delete Fees button

Disable **Mass Update/Delete Fees** in Student Fees plugin

Note: You will need to manually assess fees and apply the insurance plan for student purchasing insurance after the ChromeCare Plan window has closed and unpaid assessed fees have been deleted.

Manually Assess Fees and Assign Insurance Plan

After the ChromeCare Insurance Plan purchasing window has closed the following process must be followed to purchase ChromeCare Plan insurance.

ChromeBook Inspection

- The local building tech must inspect the Chromebook for damage
- All damage must be repaired and paid prior to purchasing insurance

Manually Assess Student Fee

- Login to PowerSchool
- Select the student to assess the fee
- Select MBA Student Fees under the Administration section of the left navigation menu
- Click on the + to the left of the ChromeCare Plan fee type
- Enter an Assessed Fee Note
- Adjust the Amount if a multiyear plan is being purchased
-

Note: If the ChromeCare Plan fee type is not available it will need to be enabled

Manually Assign ChromeCare Insurance Plan to Student

- Do not apply the insurance plan to the student until the fee has been paid
- Login to PowerSchool
- Select the student to assign the ChromeCare Insurance Plan
- Select MBA Device Manager under the Administration section of the left navigation menu
- Click on the Edit button to the left of their assigned Chromebook
- Under the Insurance Policy dropdown select the purchased plan
- Adjust the Insurance Coverage start date to the date the insurance was purchased
- Click on the Save Edits button
